The cover art is a vibrant illustration. At the top, a close-up of a girl's face with dark hair and large, red, multi-faceted eyes. She has a slight, mischievous smile. Her right hand, wearing a dark, segmented glove, is clenched into a fist. Below her, a red dragon with a long, segmented tail and a rainbow-colored crest on its back is shown in flight. The dragon has blue-tipped wings and claws. In the background, a city skyline is visible under a grey, overcast sky. Several small, dark, spiky creatures are flying in the air. Red petals or leaves are scattered throughout the scene, falling from above. The overall color palette is dominated by reds, blacks, and greys, with a touch of rainbow from the dragon's crest.
